Clinical Trials

Allergy and Asthma Research of New Jersey, Inc. is an independent research company owned by the physicians of The Asthma Center. These physicians are board certified Allergists and Clinical Immunologists. Due to the large private patient population of The Asthma Center, Allergy and Asthma Research of New Jersey, Inc. has access to a large study group population which allows the company to participate in studies requiring large enrollments.

Currently Allergy and Asthma Research of New Jersey, Inc. has one clinical study site in Northeast Philadelphia. There are two nurse study coordinators who manage this site.

What is a clinical research study? What happens during a study?

This company participates in Phase II and III clinical investigative trials for major pharmaceutical companies. These investigative trials have been within the scope of allergy and immunology and have included: long and short term studies in bronchial asthma (pediatric and adult); allergic rhinitis studies (seasonal and perennial); conjunctivitis studies (seasonal and perennial); migraine studies; COPD studies (both chronic bronchitis [antibiotic trials] and emphysema); acute and chronic sinusitis; and gastroesophageal reflux disease. The physicians have performed over 200 clinical trials for more than 20 years and have an excellent reputation in the industry for a high standard of quality control and expertise in these trials.
Current Studies:
Northeast Philadelphia

Do you experience allergy symptoms during the spring and summer?

Allergy and Asthma Research of NJ, Inc., the research arm of The Asthma Center, is looking for volunteers to participate in a new grass pollen allergy study.

Earn up to $6100!

We are seeking males and females ages 18-50 years old.

People who have experienced troublesome to very troublesome allergy symptoms despite using anti-allergy medications for the last two years may be eligible.

Join our research study and help to find a new therapy to seasonal grass allergies!

Please call 215-677-4433 or 215-677-3840 and ask to speak with Kristin or Nicole for more details.
